

WAYS TO GIVE

Families are never burdened by the high costs associated with providing a full-service, 24-hour a day residential program. It is our belief that the complex issues facing young people today are a challenge for the Body of Christ and a problem that should be met with the solutions found in God's word.

A FRESH CHANCE FOR TROUBLED KIDS

Youth-Reach Houston is a long-term program for boys ages 12-17 struggling with addictions and other self-destructive behaviors. Residents are provided a Christian foundation and support to help develop their character, sense of responsibility, and a strong work ethic.

WHO WE ARE

Since 1984, Youth-Reach Houston has operated a full-service, residential program designed to remodel the values and turn around the lives of at-risk, troubled, and delinquent boys ages 12-17.

The program was founded by Executive Director Curt Williams, who describes Youth-Reach as "a hospital for today's damaged and discarded youth." We are licensed by the Texas Department of Health & Human Services to operate a Group Residential Operation for juvenile males. As a non-profit organization and a member of The Evangelical Counsel for Financial Accountability (ECFA), we adhere to strict financial accounting guidelines.

WHAT WE DO

Set in the structure of a balanced family and home life, residents are provided a Christian foundation and support to help develop their character, sense of responsibility, and a strong work ethic. The goals of our program are to:

Produce solid leaders with high moral values and strong work ethic

Instill deep character and a positive sense of social and family responsibility

Lead all of our residents to a saving knowledge of the Lord Jesus

Disciple residents in the ways of Christ to build men of honor

OUR IMPACT

We have equipped thousands of young men to meet the complexities of real life and show them what being a man who follows God looks like.

ABOUT OUR PROGRAM

The goal of our program is to provide a fresh chance for boys ages 12-17 by introducing them to Jesus, giving them a quality education, and teaching them valuable life skills. All residents have required household chores and outdoor projects.

No Cost

The services provided by Youth-Reach are offered at no cost to our residents or their families thanks to the generous support of individuals, civic groups, foundations and churches.

Voluntary

Youth-Reach is a voluntary program – boys have the choice to come here. We want to work with young men that are willing to receive the help that we have to offer.

Christ-Based

We are a Christian ministry built on the foundation of God's word. We are not affiliated with any denomination but closely work with and are supported by churches of various denominations.

Long-Term

Facilitated by screened, experienced and respected staff members, Youth-Reach is a long-term program intended to heal past wounds and restore families.
